# TAKE TIME

Take time to work — it's the one-way street to success. Take time to think — thought distinguishes humanity. Take time to play — it's the joy of a youthful mind and body. Take time to read — it enriches us. Take time to pray — it is a sign of humility. Take time to help family and friends — they are our happiness. Take time to dream — it hitches your soul to the stars. Take time to laugh — for laughter lifts cares. Take time to love — for love is the meaning of life.

SILVER ANNIVERSARY

**CELEBRATION** 

OF THE

UNIVERSITY OF WASHINGTON

ORTHODONTIC DEPARTMENT

**EUGENE W. SUPERNAW** 

### PRESIDENT'S MESSAGE:

My warmest greetings of welcome—to the fourth meeting of the Washington Orthodontic Alumni Association. This reunion promises to be a most memorable one. We observe with pride and reflection the anniversary of twenty-five years of orthodontic education and research at the University of Washington. We are proud of all of you for your part in the accomplishments of this outstanding contribution to dentistry. It is most gratifying to note the superb program being presented this week predominantly by our alumni. Not to be forgotten are those who have passed from our ranks, whose work we carry on in their memory.

Perhaps the greatest of our celebrations this week is the honor we pay to the man who has been the heart of Washington orthodontics during these delightful years. Your presence here from all parts of the globe is real tribute to one who has given the greater part of his life to the world of orthodontics through our alma mater. Dr. Riedel, we salute you with love and the assurance that your gifts of wisdom, dedication, and friendship are forever part of us, and will extend to all whom we serve.

It has been a great honor to serve as your president the past four years. The work has been easy, since it was all done by yourselves, particularly the officers and committees who have put together this great reunion.

I thank you for the privilege of representing you, and bid you a most enjoyable homecoming.

Fraternally,

**GENE SUPERNAW** 

President
